REQUEST TO CORRECT INVENTORSHIP UNDER 37 C.F.R. § 1.48(b)

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

It is respectfully requested that the inventorship of the above-identified patent application be corrected under 37 C.F.R. § 1.48(b) to delete the name of David Sackler as a co-inventor.

The prosecution of the above-identified application results in claim cancellation so that fewer than all of the currently named inventors are the actual inventors of the invention being claimed in the above application. Specifically, the invention contributed by David Sackler is limited to the subject matter of the cancelled claim that is not presently claimed in the above application.

It is acknowledged that the invention of David Sackler is no longer being claimed in the above application.

A fee of \$130.00 is believed to be due pursuant to 37 C.F.R. §§ 1.17(i) and 1.48(b)(2).
Please charge the required fee to Jones Day Deposit Account No. 50-3013.

Respectfully submitted,
